

SCHEDULE B

Terms and Conditions Governing The Use of BCMS Certification Mark

B.1 Purpose

- 1 The purpose of this Schedule is to describe how BCMS scheme certification and service marks may be used and referred to by other parties.

B.2 Policy

- 2 Any BCMS Scheme certification and service marks and accompanying text authorized for use by CYBERSECURITY MALAYSIA certified organisations shall:
 - a. be traceability back to CYBERSECURITY MALAYSIA;
 - b. contain no ambiguity:
 - i. as to what has been certified; and
 - ii. which certification body has granted the certification; and
 - c. not be used on a product or product packaging seen by the consumer or in any other way that may be interpreted as denoting product conformity.
- 3 CYBERSECURITY MALAYSIA does not permit its BCMS Scheme certification and service marks to be applied to laboratory test, calibration or inspection reports, as such reports are deemed to be products in this context.
- 4 CYBERSECURITY MALAYSIA is responsible for exercising proper control of ownership over its BCMS Scheme certification and service marks and shall take action to deal with incorrect references to certification status or misleading use of certification documents, marks or audit reports.

B.3 BCMS Scheme Certification Mark

- 5 An organisation that has been certified under BCMS Scheme rules as meeting its BCMS certification scope may carry the BCMS Scheme certification mark as shown in Figure 1 .

Certified to ISO 22301:2012
CERT NO.: xxx-BCxxx

Figure 1: BCMS Scheme Certification Mark

B.4 BCMS Scheme Service Mark

- 6 The BCMS Scheme service mark, as shown in Figure 2 below, is to be used to identify, advertise, and market services which are performed by the BCMS Scheme certification body, or other parties in conjunction with the BCMS Scheme.

Figure 2: BCMS Scheme Service Mark

B.5 Conditions of Use of the Certification Mark

- 7 CyberSecurity Malaysia requires its client organisations to:
- a. conform to the requirements of BCMS Scheme when making reference to its certification status in communication media such as the internet, brochures or advertising, or other documents;
 - b. use the issued certificate in documentation or marketing material for the certified organisation's BCMS scope by reproducing the entire certificate in an accurate and readable form;
 - c. not make or permit any misleading statement regarding its certification;
 - d. not use or permit the use of a certification document or any part thereof in a misleading manner;
 - e. upon suspension or revocation of its certification, discontinues its use of all advertising matter that contains a reference to certification, as directed by the certification body;
 - f. amend all advertising matter when the scope of certification has been reduced;
 - g. not allow reference to its management system certification to be used in such a way as to imply that the certification body certifies a product (including service) or process;
 - h. not imply that the certification applies to activities that are outside the scope of certification; and
 - i. not use its certification in such a manner that would bring the certification body and/ or certification system into disrepute and lose public trust.

B.6 Form, size and colour of the Certification Mark

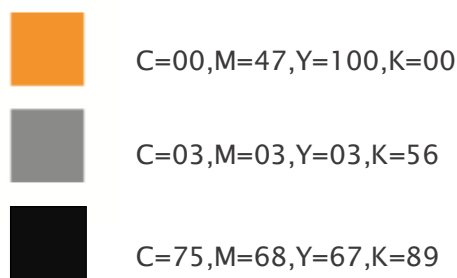

- 8 The Certification Mark is as shown in Figure 3. It shall be reproduced and shall be reprinted according to the following specifications:
 - a. in black and white as shown in Figure 4; or
 - b. in colours coding as shown in Figure 5; or
 - c. in a size for any uniformly enlarged or reduced, which make all the words of the Certification Mark clearly distinguishable.
- 9 When used on paper, it may also be embossed or stamped.
